Coiled Tubing Unit

Injector is having 100000 lbs pulling capacity

Very highly powered

This is high pressure loop power pack

Detroit engine

We changed, all new hoses of the power pack.

Currently the unit has 16800 ft pipe on it
1.5 inches CT pipe
Of global tubing USA
Almost 5100m
We only performed 3 jobs with this pipe
So good for another 30-40 jobs
