

## Coiled Tubing Unit

**Injector is having 100000 lbs pulling capacity  
Very highly powered**

**This is high pressure loop power pack**

**Detroit engine**

**We changed, all new hoses of the power pack.**

**Currently the unit has 16800 ft pipe on it**

**1.5 inches CT pipe**

**Of global tubing USA**

**Almost 5100m**

**We only performed 3 jobs with this pipe**

**So good for another 30-40 jobs**
