

Coiled Tubing Unit

**Injector is having 100000 lbs pulling capacity
Very highly powered**

This is high pressure loop power pack

Detroit engine

We changed, all new hoses of the power pack.

Currently the unit has 16800 ft pipe on it

1.5 inches CT pipe

Of global tubing USA

Almost 5100m

We only performed 3 jobs with this pipe

So good for another 30-40 jobs
